

Police Order-253/95

The newly created post of IG State Crime Record Bureau has to be made meaningful. There is an urgent need for a bank of information about crime and criminals so that data could be readily available both for statistical analysis and assistance to field formations as well as for reports to NCRB and various meetings and conferences. A concerted drive must be initiated to computerize the crime data of Bihar and to develop a reliable data bank.

In partial modification of Police Order No. 250/94, it is ordered that the duties and responsibilities of IG SCRB, Bihar will henceforth be as follows:

- (1) Administrative control of SCRB would remain with Police HQ and will be exercised through ADG (Ts, Mod. & Trg.).
- (2) Planning for modernisation will be done by IG Modernisation and procurement of equipment will be done by IG Provisioning.
- (3) Operational aspect will remain the responsibility of IG SCRB.
- (4) The staff of CID Statistical section will be transferred to IG SCRB immediately. The old data available in CID statistical section will be handed over to IG SCRB.
- (5) IG SCRB will collect all data/information from the Vernacular sections of all districts. All district SSP/SsRP will henceforth ensure transmission of all data relating to crime and criminals directly to IG SCRB.
- (6) ADG (T.S., Mod. & Trg.) will be the controlling officer for IG SCRB. All previous orders on this subject will stand amended accordingly.
